successful leaders don't rest on the laurels leadership must be a living process and life means growth great leaders grow shows leaders and aspiring leaders precisely which areas to focus on so they can remain effective throughout their lives

john adair has transformed the understanding of how leadership works with his pioneering book not bosses but leaders now he returns with a new title that explores in an authoritative way exactly what we know about leadership and leadership development there is a revolution underway we are moving rapidly in some areas slower in others from management to business leadership as the market for good leaders who can achieve results increases so called leadership development programmes have proliferated many of these are old management development programmes renamed and others are full of confusing theories and unproductive

approaches this ground breaking new book aims to set the record straight it looks at the body of knowledge on leadership identifies the seven key principles of leadership development and answers key questions on how to select train and educate leaders at the level of team operational and strategic leadership a vital addition to the debate on leadership from a true expert this book also considers the global challenge and long term issues involved

successful leaders don't rest on their laurels leadership must be a living process not a title on a business card and life means growth as ken blanchard and mark miller write in the introduction the path to increased influence impact and leadership effectiveness is paved with personal growth our capacity to grow determines our capacity to lead it's really that simple great leaders grow shows leaders and aspiring leaders precisely which areas to focus on so they can remain effective throughout their lives as the book opens debbie brewster an accomplished leader herself becomes a mentor to blake her late mentor's son as he begins his career debbie tells blake how well you and i serve will be determined by the decision to grow or not will you be a leader who is always ready to face the next challenge or will you be a leader who tries to apply yesterday's solutions to today's problems the latter will ultimately fail the difference the decision to grow and not a short term decision but a decision to grow throughout your career and throughout your life this single decision is a game changer for leaders over the next several weeks debbie reveals what this means in practical terms she and blake explore four ways that leaders must continue to grow both on the job and off because who you are as a leader is inextricably connected to who you are as a person whether you're a ceo or an entry level employee you'll be inspired to reflect on your own life and to design your own unique long term growth plan leading to not only continuing professional success but personal fulfillment as well

by the bestselling authors of the secret over 350 000 copies sold the legendary ken blanchard and mark miller a top executive at one of the most successful restaurant chains in the country identifies the specific ways leaders must grow on the job and off to remain inspiring and effective written for both established leaders looking to ensure their continued effectiveness and those who aspire to leadership successful leaders don't rest on their laurels leadership must be a living process not a title on a business card and life means growth as ken blanchard and mark miller write in the introduction the path to increased influence impact and leadership effectiveness is paved with personal growth our capacity to grow determines our capacity to lead it's really that simple great leaders grow shows leaders and aspiring leaders precisely which areas to focus on so they can remain effective throughout their lives as the book opens debbie brewster an accomplished leader herself becomes a mentor to blake her late mentor's son as he begins his career debbie tells blake how well you and i serve will be determined by the decision to grow or not will you be a leader who is always ready to face the next challenge or will you be a leader who tries to apply yesterday's solutions to today's problems the latter will ultimately fail the difference the decision to grow and not a short term decision but a decision to grow throughout your career and throughout

your life this single decision is a game changer for leaders over the next several weeks debbie reveals what this means in practical terms she and blake explore four ways that leaders must continue to grow both on the job and off because who you are as a leader is inextricably connected to who you are as a person whether you re a ceo or an entry level employee you ll be inspired to reflect on your own life and to design your own unique long term growth plan leading to not only continuing professional success but personal fulfillment as well

how to grow leaders is a ground breaking book which sets the record straight on leadership development the nature of leadership and how it can be taught john adair identifies the seven key principles of leadership development and answers vital questions on how to select train and educate leaders at team operational and strategic leadership levels in doing so he discusses topics such as the manager as leader how people become leaders how to manage leadership training learning to be a strategic leader and training team leaders effective leadership is a crucial factor in business success how to grow leaders will help you to develop these skills in others whilst guiding you on your own personal journey towards excellence as a leader

today s enterprises face a profound leadership crisis and the speed of business has far outstripped conventional executive development systems in grow your own leaders three world renowned experts introduce an entirely new approach for identifying tomorrow s leaders within your own organization accelerating their development and deploying them immediately to address new challenges wherever they emerge

leadership is difficult in our quest to teach leaders the secrets of success we ve somehow lost sight of this truth steven snyder teaches leaders that leadership is a marathon not a sprint his book offers key strategies for navigating challenges

this book seeks to answer three fundamental questions what are the best ways to develop competent leaders how to ensure a reliable supply of capable leaders for the country how to strengthen canadian leadership
